THE TEAM

PANA Group, spearheaded by Alberto Perret and The Team, has been at the forefront of Luxury Residential Developments in Aruba for the last 20 years. PANA Group has been involved in the most sought-after properties in Aruba: Oceania Residences, Blue Residences, Azure Beach Residences, Harbour House and more recently Nanki Beach.

When the opportunity to acquire the Royal Plaza Mall presented itself, PANA knew it was an endeavor they had to undertake. The experience and knowledge gained with the successful revitalization of Harbour House just a few years back proved invaluable in conceptualizing and studying the feasibility of the reconversion of this iconic building into a mixed-used project.

There were many challenges and hurdles, but its privileged location, architecture and its importance for Oranjestad and Aruba deserved every minute of it.
